

Quantix Referral Program

Elevate Your Partnership with Quantix

At Quantix FS, we believe in shared success. Our comprehensive referral program is designed to reward our partners generously, reflecting our commitment to your hard work and dedication. We offer a variety of flexible models to suit all types of partners, including bespoke solutions for high-volume and high-value referrers.

Why Partner with us?

- **Generous Commissions:** Our programs are structured to ensure our success is directly reflected in your earnings.
- **Flexible Models:** Choose from multiple partnership options or let us craft a bespoke deal tailored to your business needs.
- **Dedicated Support:** Our Partner's Team is available to assist you every step of the way.

Our Partnership Programs:

1. Standard Program: Earn Rebate Commissions

Our Standard Program offers a default rebate commission rate based on trading volumes. This is an excellent option for referrers looking for a straightforward way to earn.

Rebate Commission per Lot Traded:

- **Standard Account:** 0.5 Pips (\$5 per lot based on 1 lot EURUSD traded)
- **ECN Account:** 0.2 Pips (\$2 per lot based on 1 lot EURUSD traded)
- **Pro Account:** 0.1 Pips (\$1 per lot based on 1 lot EURUSD traded)

2. High-Volume Referrers: Bespoke Partnerships for Exceptional Performance

For partners who consistently deliver above-average performance, we offer customized packages with high-revenue share models designed to align with your business objectives.

Do you qualify? If you consistently deliver 15 or more first-time depositors per month, or generate combined trading volumes exceeding 1,000 lots, connect with our Partner's Team to explore a bespoke solution.

3. CPA Program: High Affiliate Commissions for Web Affiliates

4. Broker Solutions & Local Representative: Build Your Forex Empire

We provide comprehensive solutions for operating a successful Forex brokerage. Benefit from our full infrastructure, award-winning platforms, and a suite of web-based management systems.

Local Representatives can enjoy a truly localized product experience, including a website in their local language, custom promotions, account types designed for maximum conversion, and a high percentage profit share.

5. Revenue Share Program: Maximize Your Profit Potential

Our attractive Revenue Share program is designed for referrers seeking a high percentage profit-sharing partnership. This option provides a choice of business models to boost client acquisition, retention, and overall profitability. It also includes a range of management tools and services, supporting your activities with full transparency under an IB agnostic model for efficient business management.

6. Liquidity Solutions: Empowering Institutional Trading

We offer cutting-edge liquidity solutions for institutional traders, brokers, and high-frequency trading strategies. By leveraging deep liquidity pools from top-tier banks, ECNs, and non-bank financial institutions, our partners benefit from ultra-tight spreads, lightning-fast execution, and minimal slippage, ensuring superior trading conditions.

Our liquidity solutions support hedge funds, proprietary trading firms, and professional traders with direct market access (DMA), FIX API connectivity, and aggregated liquidity streams. We prioritize transparency and reliability, empowering our partners to optimize trading performance with competitive pricing and seamless execution, even in volatile markets.
